Christmas

Tis the season to be jolly

Yuletide celebrations
Festive fare
Gifts of love
The most wonderful time of the year

I love Christmas for all the positive values it stands for: love, care, compassion, selflessness and tolerance. It’s a festive season that is infused with warm, fuzzy, and feel-good sentiments.

Much more than a religious celebration, Christmas is also the perfect occasion for family reunion and reconnecting friendship. At this close of another hard-working year, we all deserve a break. It’s the ideal time to let our hair down and have some riotous fun and wholesome entertainment.

Go on, soak in the ambiance of our elaborately decorated shopping malls each with its own distinctive theme, sing along to the comfort tunes of carols, take a selfie against a glittering Christmas tree, and have a mirthful time looking for gifts for family and friends.

So have you stocked up on wines and spirits, ordered your festive hamper, or booked your celebratory meal at your favorite restaurant? To make it easy for you, we’ve got everything gift wrapped in this special edition of Christmas.

Last but not least, while you’re having fun, spare a thought for the needy and the underprivileged; be generous with your charitable donations and make this holiday season an inclusive one for everybody.

Let’s all have a good one!

International Graffiti Artist lights up Sino Groups’ China Hong Kong City Complex

Australian Drew Straker will use his signature neon graffiti technique as inspiration for a new series of light art installations designed for the landmark China Hong Kong City commercial complex in Tsim Sha Tsui.

Sino Group proudly presents their 2018 Christmas and 2019 Chinese New Year Festive illuminations, running till February 19 next year - a symphony of the spontaneity and secrecy of street art and the spirit of the festive season, into four giant light displays on their iconic harbourfront buildings.

The renowned graffiti and mural artist is known for his razzmatazzly executed 3D murals created to look like 3D neon artworks using neon-hued spray paint.

For his first major light work, Straker has created a whimsical and enchanting story of a gingerbread man whose adventures in Hong Kong can now be seen across the harbour-facing facade of the China Hong Kong City complex.

To accompany his take-over of the light display, Straker has also created site-specific graffiti installations through the mall in his signature spray paint style, and has worked with Sino Group to organise a series of public activities, including an Art Jamming Party to be held on December 6 and hosted by the artist himself, illuminating gifts for visitors in the mall and a Holiday Room in which visitors can explore Drew Straker's work up close.

A Christmas feast with a French touch

It’s sheer pleasure for gourmets at Le Blanc where authentic French delicacies are served in a cozy and romantic setting designed for festive celebrations.

Do remember to leave some space for two hearty desserts: the French Fudge Chocolate Cake with Vanilla Ice cream is an unbeatable combination as you would expect, while the Poached pear with red wine and cinnamon is soaked in red wine for 24 hours before being tasted for 5 hours with herbs for that lingering enjoyment.

Le Blanc’s sumptuous Christmas dinner set this year starts with a selection of specially curated yummy delicacies, highlighted among them is the Smoked scallop with passion fruit & orange jelly, and salmon roulade which arrises covered by a glass bowl filled with smoke. Designed to impress, the presentation is a definite enhancement of the sensory indulgence of the dish. The Crab bisque that follows is a traditional comfort dish that has been braised for 6 hours with tomatoes for a deliciously creamy texture.

For mains, enjoy stunning dishes made with ingredients sourced direct from France. The Sous-vide Guinea Fowl with olive is an absolute treat. Delicately slow cooked, the fowl is tender and juicy, served with a scruptious rosemary panmy sauce. The Grilled blue lobster with vegetables goes through the grill and then the oven to create that irresistible aroma and taste sensation.

Celebrate Christmas with seasonal ingredients at FUMI

Executive Chef Imai Masakazu curates a new festive menu just in time for the holidays!

This Christmas, FUMI makes sure you have a magical night with a Japanese 6-course tasting menu, available on December 24 and 25.

Chef Imai prepares hors d’oeuvres, starting with the enticing Grilled Nasu Chicken with homemade Teriyaki Sauce in “Chicken” style, simply grilled with salt to bring out the wonderful flavor of the bird. Designed to impress, the presentation is a definite enhancement of the sensual indulgence of the dish.

The Executive Chef uses red Aka konnyaku in Oden to symbolize the season of Christmas. Aka konnyaku, a famous product from Oshogatsu, is a typical Japanese dish for the winter months. Konnyaku is a low-calorie food and great for a diet. The menu can be paired with some fine beverages including premium sake and wine that will impress diners throughout the evening.

Oshogatsu, or New Year, is the most important holiday period in Japan for families. Contrary to gregarious celebrations across the world, Omisaka (New Year’s Eve) is a very quiet evening in Japan. Families and friends gather together for an intimate night ringing in the New Year.

To recreate this precious tradition, Chef Imai has created dishes inspired by Oshogatsu. Each item in the tray represents a wish for the next year. The seared radish and Kyoto green bamboo in red and white color represent joy and peace, and black beans symbolize health.

They believe that the best things will happen when you have that variety of good luck food on the special day. Sashimi lovers will rejoice over the aging Miyazaki Salmon, which is aged for 7 days to elevate the texture and taste. The sweet and refreshing seasonal Japanese fruits will end the night on a high note.

The 6-course New Year menu is available from December 31, 2018 to January 14, 2019.

Discover all the Christmas delicacies at The East!

A hearty and elegant selection of mains includes 'Seafood Terrine with vegetables' and 'Foie Gras Pate En Croute', which are best followed by a piece of classic ‘Roast Christmas Log Cake’.

Also offering ‘Foie Gras and Tarter’, The East offers a more seafood-focused menu which includes ‘Atlantic Cod’ and ‘Langoustines from Scandinavia’. A timeless ‘Trimmings’ also wouldn’t go amiss on Christmas day.

Go green for your holiday feast! Green Common is offering Garden’s vegetarian stuffed turkey as a perfect addition to your home Christmas dinner. This holiday season, stop by Lan Kwai Fong’s esteemed restaurant for a fresh, authentic Japanese meal with your loved ones!

Seasonal menus

For Christmas, Kyoto Joe is offering a special menu which includes the delectable Seafood Hiyayakko - succulent chopped tuna, salmon roe and sea urchin on chilled tofu – as well as Karubi Yaki, Kabayaki (a form of Japanese barbecue style of cooking) of teriyaki boneless beef ribs. Other offerings include a Sashimi Mori platter, Oshi Sushi & Rolls and Yayoi Udon. Finish off the fresh seasonal menu with a perfectly-flamed Crepe Brûlée.

You can also ring in the New Year at Kyoto Joe with a select menu (HK$290) portion of Miyazaki Wagyu Tartar, served with apple yuzu ponzu sauce, grilled sea bass with sea urchin sauce and Tsi Kymenov, or caramelized chicken rolls. Included in the New Year’s Eve Menu is chef-recommended Sashimi Mori, Nasu & Hataage, Uni Sea bass and Spicy Pork Ramen.

Regular offerings

Apart from the holiday menus, Kyoto Joe will still have their regular, well-loved menu.

Starting with the appetizer, Chef Dow recommends the Angel Salmon Tartare. Seasoned with spicy mayonnaise, the chopped salmon is given a creamy savoury taste which matches and contrasts with the seasoned rice crackers’ crispiness.

Kobe Gyu rolls are a must-try item, according to Chef Dow. The creative and spicy dish gives regular sashimi an innovative twist and a fusion with other Asian cuisines.

While most Japanese restaurants feature meaty dishes such as wagyu and sashimi, Kyoto Joe provides a wide variety of options are available, including various veggie tempura, hot dishes such as veggie gyozas, yaki mono such as ginkgo, tofu with sweet and spicy sauce, eggplant topped with black miso, as well as hearty vegetable fried rice and udon.

Finish off with a dessert to leave your senses completely satisfied. Trio of Créme Brûlée offers a toothsome enjoyment of this classic dish in vanilla, green tea and espresso flavors.

Moreover, all in and enjoy the spectacular Laser Show at Sea, a visual feast which showcases the perfect synchronization of music, dance and 3D laser optical effects, acclaimed to be the strongest and most perfect lasers to ever installed on a cruise ship.

Aside from the stunning stage performances, World Dream proudly presents its newest addition to the series of signature shows – Faith, showcasing a fusion of theatrical performances, which features internationally popular tap and ballet dancers, renowned Opera singer Irina Radchenko, Chinese acrobats, the breathtaking aerial “Trapeze act” of Inef from Ukraine, plus an amazing and cleverly put together social-comedy routine, all the efforts of its kind on board World Dream.

Alluring destinations

Indulge in the world’s top scenic spot with World Dream on its 5-night special sailing departing on December 30 to celebrate New Year’s Eve, by visiting the famous Filipino resort island – Boracay, reopened recently for tourism after a six-month, full-scale rehabilitation. With no direct flights available to Boracay, nothing is better than taking a cruise to visit this care-free isle, and unwind on the picturesque White Sand beach for a relaxing retreat.

Popular activities in Boracay include a half-day boat tour, scuba diving, various types of water sports such as parasailing, paragliding, and standup paddling. Adventure seekers can also try out other exciting activities such as rock climbing. Remember to call on the smallest active volcano in the world along the sailing in Manila.

If you are looking for a warm Christmas vacation, the 5-night Vietnamese journey is your answer. World Dream will bring you not only to the famed Ha Long Bay, one of the new seven wonders of the world, but also My Khe beach at Da Nang, home of the most breathtaking beaches you will find anywhere.

In celebration of this special occasion of the year and share joy with all its guests, Dream Cruises introduces a Buy 1 Get 1 Free promotion for the above 5-night sailings. What’s more, guests who booked Oceanview stateroom can enjoy a free upgrade to Balcony stateroom.

Liven up your home with Christmas party hosting essentials

It’s that time of year again: for family gatherings and having friends over for a hearty meal. Dazzle your loved ones with pieces that will guarantee you the status of “hostess with the mostess”!

Celebrate Christmas in opulence with timeless pieces

In a tribute to its irresistible heritage, Lalique presents the Hirondelles Collection – its holiday collection featuring a selection of exquisite pieces ranging from crystal Christmas ornaments to beautifully inlaid jewellery.

The intricately designed decorations – the Ornaments de Noël – are fashioned in satin-finished and re-polished crystal, combining the precision of the design with the purity of crystal in exemplary Lalique form. The decorations, which come in clear or red, will surely add a touch of luxury to any Christmas display.

Beside the ornaments, Lalique unveils a series of stunning jewellery collections – a wide range of pendants, earrings and rings – to add to the sparkle of the festive season.

The engraved Cabochon rings are exemplary as they are delicate, with these new pieces being issued in black or amber crystal. An homage to René Lalique’s engraved 1931 Épis ring, the Cabochon features two slender ears of wheat that curl together with the utmost elegance.

The Eurydice rings, created by Lalique and the Opéra national de Paris, dazzle in gold and black lacquer with interlaced openwork designs evoking serpentine motifs. Paying tribute to Greek mythology, each ring is set with a crystal cabochon, like protective talismans.

The Trois Hirondelles features the motif of the swallow, rendered in beautiful openwork and exquisitely detailed engraving. Signifying good fortune, the swallow returns in triplicate in these pieces, combining pearled crystal and gold vermeil in the shape of a classic medallion.
